The Trial of Cataribe Bolian-M mei . Apples for Milch Cous, " . Parketeles, not Men — I was o ce a tavorite idea with the Locofocos, that principle are superior to men — lattle et each strength of the man, and should i'v ape and impress them. This, however, was i tie tret, blu high dawn of their career, when they nal rally money recklessly men than discretely money recklessly ment and ment of the mirregous "transaction." on the Barlem relimined out wall street—in other words, that the demon in human shape w o at 'emptied in destroy the lives of hundreds was hirred by the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the demon in human shape w o at 'emptied in the " o bled wa" sol State, the star of hope and

dawn of their career, when they naturally opened is to liberal phrases, a d h\_h-flown, poetical mottos, ast as the buds of a crah apple tree open into beautiful and frag ant blossometimes of the following letter turns up—read it: the precursors of a most wretched fruit. In the present premature and monstrole sen my of their party, the Locotocos have promote the to "Dear George:

NEW YORK, July 4 lt, 1853.

The interpret of wholesale murder.

\*\*Operation of the more generous max may of its youth. It would espect by require a higher quality of of June, informing me that a gentleman with brass, and more of it, than we they posses, inchips at they are crowned to the properties when they are crowned to the content. It would be a content of the content. It would be the world's content. It would be the world be the

in the Wing party, for easy place and accelerating their progress of the acting and progress of the acting and accelerating their progress of the acting and accelerating their progress of the acting and accelerating their progress of the acting accountry, one was been possible theorem and the bands of brilliant demangons. In other possible theorem, at their meeting of the possible theorem, at their meeting the country, and unfold its incalculation and the productiveness, and exchange the acting in the productiveness, and exchange the productiveness, and exchange the acting the acting the acting the productiveness, and exchange the acting the

zation and the only private lefter of Local stry to pear George," and "Sarah and the children."

Dear George," and "Sarah and the children."

PANORAMA OF NIAGARA. — We have long respass.

The L. S. Siephens," is well known about Lexbert of the convinced that Mr. Godfrey Frankenstein, and the children was taken for granted to local strain and the children. we take for granted, 10 tonly a becriber to the migron, we hope the editor of the Statesman, who you class for the fact, will give a particular account of him; and, if "Dear George" and every reasonable exert in a premark the councils of he S ate and ration.

Araival from the River of the North—Rev John Black, Presbyte ial ministers, who we knew to he devoting himself month after month and year larger to the preparation of a panorama of Niagara, would produce a far greater work in that legion, the Statesman should by all manner that department of painting than any American than the accomplished artist, whom we knew to be accomplished artist, whom

When personal to a company and stages to go in the control of the first stage of the control of the first stage of the control of the stage of the control of the first stage of the control of the con

bere and there a solitary, eccentric Whig whose cuttle, our sheep, and our poultry, and counting bosom swella with a volcanic affection for some like panes of glass in our windows? For the Louisvi e Journal. THE LITTLE SHOE. DE MARY NEAL. I lound it bere—a worn-out show,
All mildaw'd with time and wet with dea
'The all tile thins; ye would pass it by

gifted Locofoco, and whose boundless, unutterable admiration, like that confessed by the Ai-keneas publican for "the traveler," in the pause

of his matchless violin, generously acouts eve y ribute less expressive than the sacrifice of h own honor, or the virtue of his wife-but w.

Whig will ever experience this deplorable strait.

are at such fierce loggerheads as to render him incapable of manifesting his appreciation of clever Locofoco, when he finds one, in e-time consistence with unabated and enthusias'ic d

otion to his own principles and party, is a liculous anomaly, scarcely worth the wit the

would transfix him, or the humor that would tickle him to death. The pretext is a shallow

ore, and will deceive nobody. Whenever Whig votes for a Locofoco, except for a purely ministerial or judicial office, he thereby willfully on a loose from his party and proclaims that with him, at least, men

are superior to principles, and that he is humself destitute of any intelligent political con-

victions, and is ready to follow after and shout

ever he may be. His conduct plainly in icates

an incurable properoity to leave the ath of principle, a plunge wildly is to every q ag-

mire he passe, in hot pur t of ery jack-o-lantern that flashes beside him the an indi-

vidual may very possibly be a "ciever fellow.

in the parlance of the effect, but it is certainly a burning second to the Whig party to call u. in a

Whig. As we might a religious or apecula-tive vagaboad be et; ed a Presbyterian or a

Kantist, or a chance s paramour be honored with the sacred name of wife. Such characters

are not to be regarded as officers or men or pas-

sengers, or even freight on board the great ahi more from side to side at the impulse of bra demagogues to keep the huge vessel trim. So

With never a thought or word or sigh, , et at a raits my spirit a h dden we , And in ele u ........ of the past doth tell. It tells of a little fairy child
That bound my heart with a magic wild,
Of bri ht blue eyes and golden hair,
That ever shed Joy and sunlight there—

if a prattling voice, so sweet and cirar, And of they feet that were ever near. It rel s of hopes that with her had birth, the man of nopice hand with her had birth, Deep hirted mow in the sixent earth; Or a heart that had met an answering lone, That again teler, slowe-minut! Of days of watching and antions prayer— Of a night of sorrow and dark despair!

Il tells of a form that is cold and still-That la dearer far to a mother's heart

Like the pure white coud from the summer a Like the wreath of mist from the monutain high-Then melting away to Ita native sphere;-

Like that sephyr wafting its perfume by— Like the wave that k once some grateful spot, Then passes away-jet is na'er forgot If like these your life-hopes have never fed, Te cannot know of the tears I shed.
